**Professional experience**

1997- Present        The Center for Marital and Sexual Health, Inc.  
Beachwood, Ohio

A multidisciplinary private group practice that specializes in the treatment of general psychiatric disorders, marital conflicts, and sexual disorders of all types, including sexual dysfunction, sexual compulsion, sexual deviance, and issues

pertaining to gender and sexual orientation. Assessments for sexual offenders are available to courts, attorneys, and other agencies. The center provides post doctoral training programs and a schedule of continuing education post graduate courses. Research activities are part of the center's academic tradition.

1999- Present University Hospitals of Cleveland Fitness for Duty Evaluations. These evaluations are performed on employees with a variety of performance problems and/or seemingly emotional disturbances. The evaluations assess for the presence of mental illness and determine if the employee is fit to perform their duties as a hospital employee.

1996-1997 University Hospitals Health and Surgical Center at Westlake Westlake, Ohio  
  
A multidisciplinary private outpatient practice medical and surgical facility also providing general psychiatric evaluations and treatment.

1997 Psychological and Behavioral Consultants Westlake, Ohio  
  
A private group practice offering counseling and medication consultation for general psychiatric conditions.

1995-1996 Northeast Ohio Health Services Beachwood, Ohio  
  
A community health center offering counseling, case management and psychiatric medication management for outpatient and nursing home patients.
